A Little Bit About Me

I absolutely love Disney! You'll find me snuggled up with my little ones watching our favorite Disney movies singing along to the songs! I also love the outdoors, whether it's hiking, camping, or simply going to the park!

A Few of My Favorite Things

Season | Winter

Food | Italian

Book | Are You My Mother?

Place | The Beach

Meet Ms. Rebeca

Hi! I'm Ms. Rebeca

Welcome!

I'm super excited to be joining THA family and happy to be around your little kiddos! I'm very passionate about child care and early child education.

I was born and raised here in beautiful Colorado. I love the snow and our beautiful spring! I have a great little family of two little boys, a loving husband and two doggies! I love taking my boys outdoors and being able to show them how beautiful CO is.

In the past I worked with kiddos in the elementary setting and helped out mostly with kindergartners. They have so much energy and it was always an adventure. I also was working in the dental field for about 3 years! I assisted the dentist and I also worked at a dental lab marking dentures and all dental prosthetics! So I know a lot about teeth and how to care for your kiddos teeth!. As a new mother, I self educated myself with everything possible! I'm personally learning how to be a gentle parent and teach myself new techniques and obstacles we go through. I'm very loving and super patient.

I'm very happy to be here and thankful to have this opportunity with Tiny Hearts! I'm ready to learn and grow with each one your kiddos!

Sincerely,

Ms. Rebeca
