

Dear Family,

We are very excited to welcome you and your child to our Preschool Program!

Our goal is to provide an all-around learning experience specifically designed for every developmental stage of education. The Preschool Program at Tiny Hearts embraces a number of educational philosophies from Montessori to STEM. We offer theme-based units, learning activities, enrichment lessons and fun, engaging lesson plans that include core academic subjects from math, reading, writing, foreign languages, to other academic components such as arts and crafts, music, dramatic play, and physical activities.

Pre-schoolers are guided in making an important transition from individual play to group play. Through self-correcting materials, children gain independence and a sense of accomplishment as they learn about letter formation and writing words including their own name.

The unit lesson plans will be posted monthly on the Parent Board located in the classroom. Additional Parent Resources are included in our monthly newsletters and [Pinterest page](#). Below is a list of supplies needed for a successful learning environment. Please have these ready on your child's first day **labeled with your child's name or initials**.

Water bottle
Blanket
Sheet (24" x 48")

Set of clothes (in case of accidents)
Sunscreen

Thank you for your cooperation. We look forward to working with you and your family during this exciting time!

Sincerely,

Tiny Hearts Academy
