Meet Ms. Nataly

Hí! I'm Ms. Nataly

Welcome!

My name is Nataly Almanza. I am so excited to be a part of your child's journey. I have been volunteering and working with children since I was 15 years old. I grew up helping my older sisters take care of my nephews. Helping my sister take care of my nephews made me love being around children and watching such beautiful and bright spirits. I love working with children of all ages, but toddlers are my favorite age group to teach. At this age they are just learning how to communicate and watching how pure their hearts are is something that makes my day.

I was born and raised in Colorado. I grew up loving the mountains. I loved spending my time in the outdoors. My favorite thing to do growing up was snowboarding and camping. I am so excited to be a part of the Tiny Hearts community!

Sincerely,

Ms. Nataly
