Meet Ms. Rose

Hi! I'm Ms. Rose

Welcome! I have always enjoyed being around young children, and am beyond excited to be a part of the THA tribe!

I spent my middle school and high school years babysitting for friends and family, which was were my passion for early childhood education blossomed. I am now continuing my education in ECE to become a Lead teacher.

As an early childhood educator, I especially care about the importance of teaching with compassion and leading with guidance. Each child is different and unique, and I find it important to adapt my teaching techniques to best fit each individual.

I look forward to getting to know all of the kiddos and family members here at THA as I begin my journey in early childhood education.

Sincerely,
Ms. Rose
