Meet Ms. Olga

Hi! I'm Ms. Olga

Welcome!

I am a person who loves working with kids since a young age. My dream has always been to work with kids and now I have the opportunity to do what I love best. My favorite part is seeing their smiling faces. I have 3 kids whom I love with all of my heart. I have lived many years in the United States and have a son who is in the Marines. I am a proud mom seeing my son pursue his dreams and be happy.

I love having many friends and love to socialize. I love being part of the Tiny Hearts Academy family and hope to be here for a very long time. I love my job and it helps me not get stressed out. I also loving getting to know the kiddos and learning as I go.

Sincerely,
Ms. Olga
