

A Little Bit About Me

When I am not at work, you can find me hanging out with family and friends. I also enjoy singing, playing piano, hiking, taking pictures, and watching movies.

A Few of My Favorite Things

Season | Fall

Food | Taco Salad

Book | "The Polar Express"

Place | Driving through the Mountains

Meet Ms. Bree

Hi! I'm Ms. Bree

Welcome!

I am so grateful to be a part of the THA family and to have this opportunity to get to know your children.

I started my teaching career in 2019 and joined the THA tribe in 2020. It is an honor to be a small part of your family and I can't wait to help your little one grow and develop. As a teacher, I strive to be someone kids not only look up to, but someone in which they love and feel comfortable learning through.

After these first couple of years getting to know and love this field, I recently enrolled in the Elementary and Special Education program at Grand Canyon University. I am so excited to continue my education in Early Childhood Education and am beyond excited to be here with you all at Tiny Hearts Academy.

Sincerely,
Ms. Bree
