Meet Ashley

Hi! I'm Ashley

I grew up in Longmont, Colorado, and have been living in Denver for the past two years. One of my favorite things about Colorado is the beautiful scenery and being close to my family.

I have over five years of experience working with children in a variety of roles, including two years working specifically with infants. My favorite part about working with children is watching them discover the world around them and grow into their own unique personalities.

My teaching style focuses on building genuine bonds with each child while respecting their individuality, thoughts, feelings, and preferences. I strive to create an environment where every child feels safe, supported, and loved.

Outside of work, I love taking all types of dance classes. I don't have children of my own, but I have three family dogs who mean the world to me—my favorite place to be is anywhere with them!

I look forward to meeting all of your little ones and creating meaningful bonds with each and every student!

Sincerely,

Ms. Ashley
