

## A Little Bit About Me

I feel incredibly grateful to have the opportunity to work with children, support their growth, and be part of their early learning journey.

## A Few of My Favorite Things

Season | Winter ❄️

Food | Sushi 🍣

Book | "The Giving Tree"

Place | Yellowstone

# Meet Juniper

## Hi I am Juniper

I am a Colorado native, born and raised in Denver. Growing up in Colorado has given me a great appreciation for the outdoors, and one of my favorite things to do outside of work is spend time in the mountains. I also love baking and creating delicious treats in my free time! At home, I have a sweet dog named Blossom, who is a very special part of my family.

My absolute favorite part about being a teacher is the joy and laughter the children bring each day. I love being able to share in their excitement, celebrate their accomplishments, and create meaningful moments together.

My teaching style is centered around guidance and connection. I believe children need supportive adults who can guide them through both the exciting moments and the challenging ones. I strive to walk alongside each child, helping them work through difficult moments while encouraging independence, confidence, and problem-solving skills.

Teaching has always been something I have wanted to do. It is more than just a career to me, it is my life path. I look forward to getting to know your family and creating a classroom filled with joy, laughter, learning, and connection!

Sincerely,

**Ms. Juniper**
