

A Little Bit About Me

When I am not at THA you will most likely find me spending time with my puppy and/or my family! I love animals, especially dogs! I just got a puppy, and his name is Gus. My parents have 6 dogs of their own! We are definitely a dog family! My puppy and my parents' dogs have puppy plat dates almost every day!

Meet Ms. Julia

Hi! I'm Ms. Julia

Welcome!

I was born and raised in Denver. I am getting my degree in Human Development and Family Studies with a minor in Psychology - with my degree I hope to focus on helping children and families.

A fun fact about me is that I have played soccer since I was 4. I even got a full ride scholarship to play at MSU, and I played there for 2 years. I decided to step away from soccer to focus on myself and my family. I still coach soccer and will always carry a love and passion for the sport!

My family is the most important thing in my life - I have an older sister (7 years older) and she is my best friend. She has a son, and I love him with my whole heart! My mom and my dad have been my greatest supporters and I am beyond grateful to have people like them in my life!

I decided to pursue a career in childcare because I believe it is an extremely rewarding and important career. Having the opportunity to build relationships with children and families, and being able to make a positive impact in so many lives is a privilege. I am beyond excited to work at Tiny Hearts Academy!

Sincerely,
Ms. Julia
