WAITLIST + REGISTRATION FEE

- By providing the \$125 non-refundable waitlist fee and application, your family will be added to our wait list. Each location requires a separate application and fee. The wait list fee is non-refundable and will be applied to your annual registration fee upon enrollment.
- Initial enrollment at Tiny Hearts Academy is contingent upon space availability and receipt of completed Enrollment Application and 4-week tuition deposit.
- After first year, annual registration fee is \$125.

WAITLIST PROCESS

- Enrollment is based on student withdrawals and unfortunately, there is no way to predict or determine withdrawals in advance. Quoted start dates are estimates only, not a guaranteed enrollment date. Waitlist application includes additional details regarding the waitlist.
- We will contact you via phone and email when you are next on the list and we have an opening.
- Contact THA with questions regarding your spot on the wait list or if any of your information has changed.

TUITION RATES

- All tuition rates are subject to change annually by 5% or more. Parent notifications will be emailed and updated in the Parent Handbook available on THA website, www.TinyHeartsAcademy.com.
