Meet Dreann

Hi I am Dreann

Hello, families! My name is Dreann, and I am excited to be a part of your child's learning and growth!

I was born and raised in Denver, Colorado, and have lived here my entire life, aside from one year living in Nebraska. One of my favorite things about Colorado is how beautiful it is in the fall!

Outside of school, I love spending time with my two dogs, Mufasa and Snickers. They bring lots of fun and joy to my life!

I am early on in my teaching career, and I have really enjoyed getting to know and learn from the children I work with. My favorite part about being a teacher is helping children learn new things while creating a classroom environment where they can have fun and enjoy learning each day.

As a newer teacher, I am continuing to learn and grow in my teaching style. I believe that being a teacher is a journey, and I look forward to growing alongside the children in my classroom. I am excited to create a classroom filled with curiosity, encouragement, connection, and new experiences!

I look forward to getting to know your family and making this a wonderful year together!

Sincerely,

Ms. Dreann
