# Meet Ms. Yolanda

## Hi! I'm Ms. Yolanda

Hello, my name is Yolanda. I am so excited to be teaching at Tiny Hearts Academy. I was born in Chihuahua, Mexico and I moved to Colorado over a decade ago! I am a mother of 4, and through raising them I realized that I have so much love to share with all children and I decided I wanted to be a teacher. To further my education and pursue a teaching career I completed my Childhood Development Associates to learn as much as I can about early childhood development! I continue to bring a sense of family, and community into my classroom everyday. My favorite part about teaching is learning from the children and watching them continuously grow and develop. I love helping children experience new things and grow confidence in being their own independent little people. In my free time I enjoy long walks outside and exploring Colorado, I am a singer, and I am always spending time with my daughters and family. I look forward to continuing to expand my knowledge about early childhood developmental milestones and implementing them in my classroom as well as fostering an environment centered on empathy and love!

Sincerely,  
**Ms. Yolanda**
