

A Little Bit About Me

I love hiking, concerts, going on adventures, camping, and jewelry making. Driving is one of my favorite pastimes as well as being with my family and friends.

A Few of My Favorite Things

Season | Winter

Place | The Beach

Meet Ms. Arianna

Hi! I'm Ms. Arianna

Hi, my name is Arianna Sweet. I am very excited to be a part of your child's Journey, knowledge, self discovery, and imagination!

I have been a nanny for 7 years, and a play and music teacher for about two. I have worked with infants to 8 year olds. My favorite age is 2-5 years. At that age they are just finding who they are and how they like to learn. It's amazing to watch their minds open!

I am delighted to start my teaching journey with your child, and with Tiny Hearts Academy.

I am a Colorado native so I was born to love the mountains! I love science experiments, singing, and love doing crafts! My side passion is canvas spray painting!

I am a mother of one, but have room in my heart for all these little ones!! I look forward to meeting all of you and watching your little ones grow!

Sincerely,

Ms. Arianna
