Meet Ms. Kathy

Hi! I'm Ms. Kathy

Welcome! I am so excited to be a part of the Tiny Hearts Family and cannot wait to meet each and every one of you.

I have been teaching in early childhood education for over 20 years and received my associates of art degree in Early Childhood Education from Red Rocks Community College in 2012. Although I finished my education in 2012, I became a lead teacher in 2003 and received my director's certification in 2008.

I love working with all ages but I really enjoy working with 2-year-olds. I feel that this age is such an important stage of a child's learning. I love being able to introduce new "stuff" to the classroom and love watching them explore their environment. I always lead with love and fun in a classroom, and believe independence is key in early childhood education.

I can't wait to start touching the lives of your kiddos and hope to create meaningful relationships with every child and family at THA!

Sincerely,
Ms. Kathy
