

Dear Family,

We are very excited to welcome you and your child to our Preschool Program!

Our goal is to provide an all-around learning experience specifically designed for every developmental stage of education. The Preschool Program at Tiny Hearts embraces a number of educational philosophies from Montessori to STEM. We offer theme-based units, learning activities, enrichment lessons and fun, engaging lesson plans that include core academic subjects from math, reading, writing, foreign languages, to other academic components such as arts and crafts, music, dramatic play, and physical activities.

Pre-schoolers are guided in making an important transition from individual play to group play. Through self-correcting materials, children gain independence and a sense of accomplishment as they learn about letter formation and writing words including their own name. The unit lesson plans will be posted monthly on the Parent Board located in the classroom. Additional Parent Resources are included in our monthly newsletters and [Pinterest page](#). Below is a list of supplies needed for a successful learning environment. Please have these ready on your child's first day **labeled with your child's name or initials**.

Supply List

1 Water bottle

Blanket / Sheet (25" x 50")

Sunscreen

2 Sets of seasonal clothes

Hat

About this Classroom:

Curricular lesson plans / circle time begins at 9:00 am so please be sure to drop-off by 9:00 am. Dropping off by 9:00 am will help minimize class disruptions and encourage classroom learning for your little one.

- **Meals** - Food planning and prepping for children can be a daily challenge for parents of young kiddos. To help and inspire your child's lunches with all five food groups (protein, dairy, grain, vegetable, and fruit), please check out [My Plate](#) to learn more about building your child a healthy plate. Per Health / Licensing requirements, THA is responsible for ensuring all lunches for children in our care meet the United States Department of Agriculture (USDA) food pattern requirements. Check out our [blog](#) for further inspiration.
- **Kinder Readiness** – We follow a Kinder Readiness Checklist in our Preschool Program to make sure all of our children are ready for Kindergarten. This checklist evaluates milestones for Kindergarten and will be completed by teachers.

Thank you for your cooperation. We look forward to working with you and your family during this exciting time!

Raising a child takes a village and we're proud to be part of the tribe,
TSA Team
