

### A Little Bit About Me

I love exploring new places and going on spontaneous adventures with my friends. I also love exploring new restaurants and trying new things!

### A Few of My Favorite Things

Season | Fall

Food | Mexican

Book | *Anything* by Freida McFadden

Place | Nature

# Meet Ms. Tania

Hi! I'm Ms. Tania

I have lived in Colorado for the majority of my life. I love the mountains, books, and a good Netflix show!

I have worked with children for a few years in the education field. I truly love interacting and working alongside children! In the future, I hope to continue to work with children in the mental health field through play therapy!

Everyday I continue to learn new things through my interactions with the children and I hope to make a positive impact throughout my time here at Tiny Hearts Academy!

Sincerely,  
**Ms. Tania**
