Meet Ms. Dom

Hi! I'm Ms. Dom

Welcome friends and parents to Tiny Hearts Academy! I hope you'll love being here just as much as I do and I am so excited to go on this learning journey with all of you!

I was born and raised in Colorado and was brought to Tiny Hearts Academy to gain teaching experience and to expand my knowledge in childcare. I aspire to become an elementary school teacher in the future with the hope of inspiring young minds to strive to be the best that they can be.

When it comes to teaching my motto is to always lead with love and passion! I can't wait to meet all of you and am thrilled to be at THA!

Sincerely,

Ms. Dom
