

A Little Bit About Me

Outside of school I enjoy spending my time in the kitchen baking or using my creative skills to paint.

A Few of My Favorite Things

Season | Fall

Food | Mexican

Place | The shower

Meet Ms. Sky

HÍ! I'm Ms. Sky

Welcome!

I was born and raised in Denver, Colorado. This is my first year teaching children and I can happily say I am beyond excited. I am very grateful to be given such an important opportunity like this. Although I am ecstatic to become a teacher, I am also extremely passionate about art such as painting and drawing. I love to pull out a fresh canvas and put my imagination to work. As a teacher of toddlers and infants, I will ensure their safety and make sure they love their learning environment. I love children and can't wait to make an impact on new young minds. I look forward to getting to know each and every one of you, and your families.

Sincerely,

Ms.Sky
