Meet Jocelyn

Hi! I'm Jocelyn

I am thrilled to be part of this school community. I grew up in Veracruz, Mexico, and I have lived in Denver for 8 years. One of my favorite things about Colorado is the beautiful mountain scenery and the chance to enjoy the outdoors in every season.

I have been working with children for 7 years, and teaching truly is a new world to explore. My favorite part about being a teacher is watching children grow, develop confidence, and discover new things each day. I would describe my teaching style as fun and energetic, always focused on creating a warm, safe, and engaging learning environment.

Outside of school, I enjoy puzzles, crafting and trying new foods, which helps me stay inspired and balanced. I'm excited to get to know your children and to support them as they learn, play, and grow!

Sincerely,

Ms. Jocelyn
