

### **A Little Bit About Me**

When I am not teaching, you'll find me shopping, traveling, or hanging out with my best friend and our husky. I love going to new places and exploring what the world has to offer when I can, as I come from a family who loves to travel! But I also love to relax and put on a good show/movie!

# Meet Ms. Brooke

Hi! I'm Ms. Brooke

Welcome!

I was born in Houston, Texas but raised in Dallas, Texas. I moved to Colorado at the end of August 2022 with my best friend and her husky. I've always loved Colorado so it's a dream to be living here!

I've worked with kids for quite a few years now and truly do love it! I finished my second year of college and am now taking a gap year to figure stuff out and because I needed a break from college. I plan to be an elementary school teacher but we shall see where life takes me!

When teaching, I think building relationships and connections with the children and parents is one of the most, if not, the most important aspects of teaching. It truly makes a difference and creates a welcoming environment. I'm excited to be a part of Tiny Hearts Academy and get to know all these amazing kiddos!

Sincerely,

Ms. Brooke
