Meet Ms. Angie

Hi! I'm Ms. Angie

I'm so excited to be a part of a wonderful group that values early childhood education. I've been working with children for 19 years as a teacher and have even used this skillset while raising my own daughter.

Over the years, I've learned that teaching young children is my calling. Although challenging at times, I love this age group. I love seeing them learn, communicate new words, sing songs, and learn new colors, letters, shapes, and numbers.

In my spare time, I enjoy camping, traveling, and walking my Maltese every morning. I look forward to getting to know you and your family. To kick-off our time together, enjoy learning a little bit about me.

Sincerely,

Ms. Angie
