# Meet Ms. Alta

*Hi! I'm Ms. Alta*

Welcome!

I am originally from Chihuahua, Mexico and have lived in Denver for 17 years. This is my 16th year teaching children and I wouldn't have it any other way. These children are my passion, my sunshine on cloudy days. I truly enjoy playing with and teaching these young children new things everyday. I have been given a wonderful opportunity to work with children and I enjoy every moment I have with them.

I love teaching and singing in Spanish, but art is my favorite! I will often decorate the classroom with our artwork so feel free to check out the walls with new work and projects.

As a teacher, I think it is very important to work together as a classroom family. I have an open door policy and I believe it truly takes a village to raise a child!

I look forward to getting to know you and your family. To kick-off our time together, enjoy learning a little bit about me.

Sincerely,

*Ms. Alta*
