# Meet Ms. Anna

*Hí! I'm Ms. Anna*

Welcome!

Hello, my name is Mrs. Anna Yale, I have been volunteering and working with children since I was 13 years old! Starting with the Girl Scouts of Colorado as a young girl inspired me to become a teacher and gave me the confidence and the tools, I needed to start my career in Early Childhood Education. I love teaching kids of all ages, but 6 weeks to 6 years are my favorite ages to teach! I enjoy waking up every day knowing that my students are going to grow, learn, and experience new things in my class. The light in their eyes when they discover something new is my favorite part of my job.

I was born and raised in Colorado and the mountains will always be my home. In my free time I still volunteer with the Girl Scouts of Colorado, and I love any outdoor activity, especially kayaking, paddle boarding, hiking and evening walks with my husband! When I'm inside I like to read, craft, sew, build Legos and binge watch my favorite tv shows! I am so excited to be a part of the Tiny Hearts community and I can't wait to see our little legends flourish!

Sincerely,

*Ms. Anna*
