# Meet Teacher

## Hi! I'm Cecilia

Hello families! My name is Cecilia, and I am so excited to be part of this wonderful learning community. I grew up in Colorado, and I have lived in Denver for all of my life. One of my favorite things about Colorado is the weather, I love all the sunny days and the snow is fun too. I love getting to share the beauty of our state with the children.

Outside of work, I enjoy going to the gym and staying healthy or hanging out at home. At home, I have a beautiful daughter named Pricila, who keeps life fun and full of energy.

I have been working with young children since I was just 17 years old, and every year deepens my love for early childhood education. I started my career with the Boys and Girls Club, summer camps, and childcare centers. My favorite part of being a teacher is being small part of a greater purpose, I believe that every child deserves to grow up health, educated, and protected. I would describe my teaching style as fun with a focus on creating a warm, safe, and engaging environment where every child can learn at their own pace. I also love to include music in the classroom.

Sincerely,

**Ms. Cecilia**
