

### A Little Bit About Me

---

On my free time, I love going to the mountains and spending time with my husband and son (my dog jack). I also love to spend time with my friends and do outside activities.

### A Few of My Favorite Things

---

Season | Fall

Food | Ceviche De Camaron

Book | Cook Books

Place | Gym

# Meet Ms. Andrea

*Hí! I'm Ms. Andrea*

Welcome!

My name is Andrea and I am from Ecuador. I moved to Colorado 8 years ago before working at Tiny Hearts Academy. Before working at Tiny Hearts Academy, I was working in sales and business, but decided to leave because I was not happy. It was then that I decided to pursue something that I have always wanted to do and that is to work with kids and become a teacher.

I truly believe in child development and education and feel that with working with kids it is important to have a clear objective and to be educated! I think that along with education, it is also important to give love, smiles, and lots of laughs! Kids absorb everything and it is important to remain positive and full of ideas help the little ones have the best development. I am here to spread good vibes and be creative for your kiddo and can't wait to get to know you better!

Sincerely,

*Ms. Andrea*
