Meet Ms. Laurie

Hi! I'm Ms. Laurie

Welcome!

I am so excited to be working here at Tiny Hearts Academy and can't wait to get to know all of you!

I may be fairly new to Tiny Hearts Academy, but not to working in child care. I have been caring for children for about 35 years, and have both an associate of arts degree and a bachelor's degree in early childhood education. I have always enjoyed working with infants and young toddlers so I am excited to start my new journey with you all here at Tiny Hearts Academy.

When it comes to teaching, I believe each child is different and love to explore those differences through play. Each child has so many different characteristics and being able to help mold these beautiful babies is my favorite part of my job.

I look forward to getting to know you and your family. To kick-off our time together, enjoy learning a little bit about me.

Sincerely,
Ms. Laurie
