

A Little Bit About Me

When I am not in the classroom, you will find me on a mountain hiking when the weather is nice. I also enjoy spending time with my family, my dogs, and my turtle. In my spare time I enjoy taking pictures, painting and finding new artistic ability. I also have a passion for volunteering.

Meet Ms. Maddi

Hi! I'm Ms. Maddi

Welcome!

I was born and raised here in Colorado and have enjoyed every minute. I began my career in Early Childhood Education a little over a year ago and have worked with mostly infants and toddlers. Previous to my education career, I volunteered most of my time on mission trips where I also worked closely with all different aged kiddos. I also have experience with middle and highschoolers as I was a youth leader as a young adult.

As a teacher I love being able to watch all of my kids grow and develop with my guidance. It is so fun to experience all the little milestones and I can't wait to share this journey with you all!

I look forward to getting to know you and your family. To kick-off our time together, enjoy learning a little bit about me.

Sincerely,
Ms. Maddi
