

A Little Bit About Me

When I'm not teaching, I spend my free time with my husband riding our motorcycle, hiking, and camping. I also enjoy listening to music, dancing, putting together puzzles, and watching movies.

Meet Ms. Trish

Hi! I'm Ms. Trish

Welcome!

I have been an early childhood educator for 14 years and have loved caring for every child. As a teacher, the children I work with everyday are the most important things in my life. Their happiness, comfort, and well being is my number one priority. I believe that it is my number one job to help give these children a sense of direction and a support system in which they feel a mutual sense of respect and love. It is my goal to help each individual reach challenging and achievable goals while providing appropriate guidelines and emotional support.

I also have a passion for teaching both infants and toddlers American Sign Language. Kiddos at this age have a lot to say, so giving them an outlet in which they can communicate is so rewarding.

I cannot wait to spend some time getting to know you and your children, but for now have fun getting to know a little bit more about me!

Sincerely,

Ms. Trish
