Meet Ms. Lesly

Hi! I'm Ms. Lesly

Welcome and Bienvenidos!

I am extremely excited to be a part of the Tiny Hearts family and help teach and care for all the little ones.

My child care experience is based on my own personal experience being raised since infancy to 12 years of age at a childcare facility with my mother as the teacher. I followed in her footsteps in 2016 and since this moment, I knew teaching was my calling. I love teaching children Spanish and English and play-based learning activities. I believe in helping a child find their independence and fueling their natural curiosity to learn through song, play, and fun experiments.

As a teacher, I think it is very important to work together as a classroom family. We will be spending a lot of time together and it is my job as your teacher to help each child grow as a learner. I am looking forward to watching your children grow while learning through play and exploration.

Sincerely,

Ms. Lesly
